

Nestled in the heart of Mt Hotham, Jack Frost is more than a restaurant — it's a place where community, comfort, and culinary craft come together.

Each season we are honoured to welcome you to share in what we love most: exceptional food, great wine, and heartfelt hospitality.

We're truly grateful to have you with us tonight.  
May your time here be as warm and memorable as the mountain that brings us all together.

With love,  
Lisa, Sarah & the entire Jack Frost team

## STARTERS

|                                                                                                          |    |

| Banks Botanicals, citrus and rosemary. Zero alcohol, all class. |    |

## COCKTAILS

|                                                                                                                 |    |
|-----------------------------------------------------------------------------------------------------------------|----|
| <b>CHAI SPICED MULLED WINE</b>                                                                                  | 16 |
| After a long cold day, warm your hands and heart with our homemade gluewein.                                    |    |
| <b>HOT BUTTERED WHISKEY</b>                                                                                     | 22 |
| Jack Frost's signature winter warmer. Rich, buttery, and steeped in winter comfort.                             |    |
| <b>SUMMIT SOUR</b>                                                                                              | 24 |
| A smoky twist on a whiskey sour, topped with mountain air froth.                                                |    |
| <b>ALPINE ESPRESSO MARTINI</b>                                                                                  | 22 |
| Post-ski perk-up with layered sweetness and strength.                                                           |    |
| <b>APRÉS PORNSTAR</b>                                                                                           | 23 |
| Sassy and bright, served with a sparkling shot on the side.                                                     |    |
| <b>FROSTBITE COSMO</b>                                                                                          | 21 |
| A smoky-sweet high-country take on the cosmopolitan.                                                            |    |
| <b>FRENCH KISS MARTINI</b>                                                                                      | 22 |
| Sweet, bold, and beautifully balanced.                                                                          |    |
| <b>COCO LOCO MARGARITA</b>                                                                                      | 22 |
| Escape the chill with a sip of sunshine. The toasty coconut vibes are like après-ski on a beach somewhere warm. |    |
| <b>SNOWFALL SLIDE</b>                                                                                           | 23 |
| Irish cream and white chocolate form a velvety, dessert-like, dream made for fireside sipping.                  |    |
| <b>AVALANCHE</b>                                                                                                | 22 |
| Dark rum and chocolate liqueur create a spicy cream punch, that will warm the cockles of your heart.            |    |
| <b>HOTHAM HIGHBALL</b>                                                                                          | 19 |
| Crisp and refreshing gin cooler and with alpine aromatics.                                                      |    |
| <b>FIRESIDE FIZZ</b>                                                                                            | 20 |
| A vibrant, herbal blood orange spritz made to toast the slopes.                                                 |    |
